

IN THE SPECIFICATION

Please amend paragraph [0060] of page 18 as follows:

[0060] MFP 400 may also include printing mechanism 401 404 that prints documents including barcodes. In one embodiment, the printer head comprises Ink Jet Technology 641 D2 from Ink Jet Technology, Inc. of San Jose, California. According to a further embodiment, MFP 400 includes a platen 410 on which a document can be placed for scanning. MFP 400 may further include a power supplier 411 having a power switch or the like to provide power to MFP 400.
